2014

Offering Quality of Life Services Through Direct Representation

PRESIDENT'S MESSAGE by Elaine Freeman

First, I want to thank all of you who braved the traffic and made it to our meeting in Simi Valley. It was worth the trip though because Eric Bergh from Calleguas Municipal Water District, did a great job updating us on the water bond and other water issues.

There are many legislative issues that have made their way through the legislature. At the October meeting I will update you on many then in December, we will have a complete update. Christine Lokke, Legislative staff of CSDA, will be our speaker with all the details.

You will enjoy the next meeting. The Chumash Park is a beautiful setting and an interesting museum. If you can make it early, you will have a great tour. There are ruins, caves and a village in addition to the museum.

A couple things, I did get one suggestion for a speaker for the annual meeting which the board will discuss. Other suggestions are welcome too. The goal is to have an interesting speaker that will appeal to everyone. Also, don't forget to think about taking over the CSDA web site. The Rancho Simi Recreation & Park District has done it now for many years. It really isn't that difficult or time consuming.

Thank you Conejo Recreation & Park District for the opportunity to meet at one of your parks and for preparing the food. Good BBQ. Look forward to seeing you all. Hope you had a great summer.
