

Ventura County Special Districts Association

Sept/Oct
2018

Offering Quality of Life Services Through Direct Representation

PRESIDENT'S MESSAGE by **Mike Mishler**

Hello VCSDA Members,

First, special congratulation to Kara Ralston of the Camarillo Health Care District for being selected CSDA General Manager of 2018. Under Kara's leadership the Camarillo Health Care District has been very proactive in expanding services to the public and providing knowledge to the state legislature on benefits of special districts. Thanks to Kara for all her dedicated efforts.

Second, we welcome Dan Paranick as the new General Manager of Rancho Simi Recreation and Park District. Dan replaces Larry Peterson who retired after 15 years at RSRPD. Dan has a lot of experience working for various cities across Ventura County since 2001. Duties included assistant city manager positions at Simi Valley, Camarillo and Ventura Cities. As many of you know, Recreation & park special districts and cities are highly intertwined. The public interests are best served when the two agencies work together.

Third, thanks to Susan Mulligan, General Manager of Calleguas Municipal Water District, for the recent editorial explaining that water conservation is only part of the solution. Some people have a very narrow view to issues/problems. They do not see the larger picture or the long term vision.

PLEASE remember THE NEW MAILING ADDRESS for checks below.

How to reach us:

**VCSDA, c/o Pleasant Valley Rec & Park District,
Attn: Anthony Miller
1605 East Burnley Street
Camarillo, CA 93010
